

Grant Application and Estate Administration

Standard Matter

We anticipate that the process will take between 20 and 40 hours of work. Please refer to the detailed table below for the range of costs based on our mid-range hourly rate of £340 plus VAT of which the current rate is 20% (the hourly rates and actual team members involved will be confirmed in our terms of business). The exact cost will depend on the individual circumstances of the matter. For example, if there is one beneficiary and no property, costs will be at the lower end of the range. If there are multiple beneficiaries, a property, and multiple bank accounts, costs will be at the higher end.

| Description | Hourly Rate | Cost (Excl. VAT) | VAT (20%) | Cost (Incl. VAT) |
|----------------------|-------------|---------------------|--------------|---------------------|
| Lower End (20 hours) | £340.00 | £6,800.00 | £1,360.00 | £8,160.00 |
| Upper End (40 hours) | £340.00 | £13,600.00 | £2,720.00 | £16,320.00 |

Timescales

On average, estates that fall within this range will take 6-18 months to complete. Typically, obtaining the grant of probate takes 6 to 9 months. Collecting assets then follows, which can take between 6-8 weeks. Once this has been done, we can distribute the assets, which normally takes 6-8 weeks.

Scope of Work

Where we are instructed in the administration, we will handle the entire process for you. The cost range above would apply to estates where:

- There is a valid will.
- There is no more than one property (the cost of the sale of the property is charged separately).
- There are no more than 10 beneficiaries.
- There are no disputes between beneficiaries on the division of assets. If disputes arise, this is likely to lead to an increase in costs.
- There are no claims made against the estate.
- There are no assets outside of the UK.

Work Included

We will carry out the following work on your behalf:

- Writing to asset holders to collect the date of death information.
- Preparing and submitting the inheritance tax return.
- Paying any inheritance tax due.
- Preparing the probate application (the oath) and submitting it to the probate registry.
- Arranging legal notices.
- On receipt of the Grant, collecting in the assets.
- Settling any liabilities.
- Liaising with HMRC in relation to any inheritance tax.
- Preparing full estate accounts.
- Making distributions to the beneficiaries.
